FY 2024-25 Budget Message

May 1, 2024

Honorable Mayor and City Council,

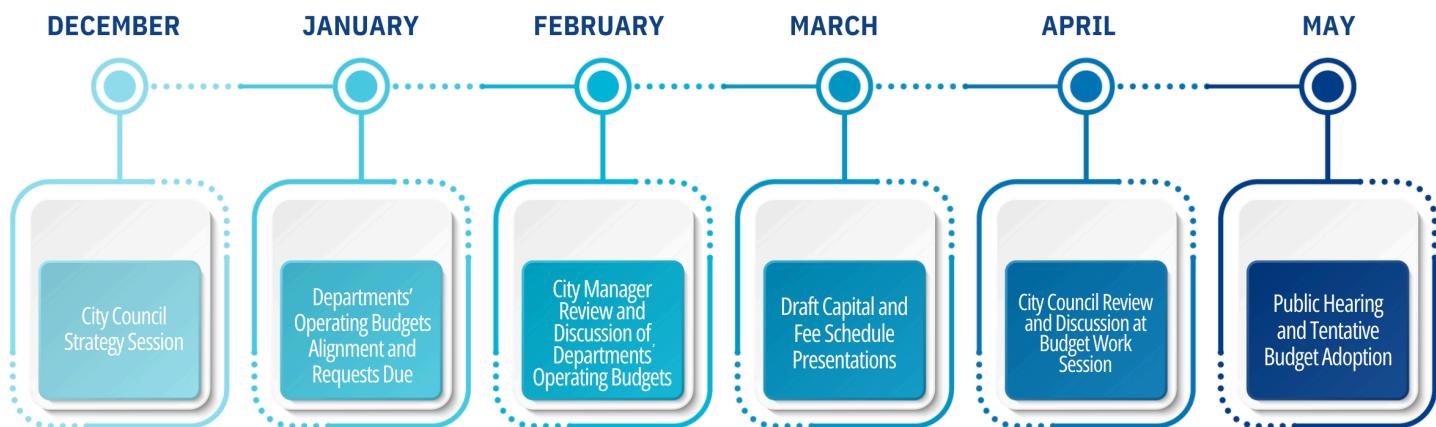

Enclosed is the proposed budget for the City of Grand Haven for the fiscal year beginning July 1, 2024, ending June 30, 2025. The budget outlines projected revenues and expenditures and provides an overall depiction of the operational and capital plans. The budget, as adopted by City Council:

- Authorizes the fees and revenues collected by the City, and
- Authorizes the expenditures proposed in all Funds, and
- Complies with the Uniform Budgeting and Accounting Act, and
- Serves as a snapshot and indicator of the City's fiscal health.

The budget is the result of collaboration, forecasting and intentionality. Beginning in December of the year prior, the budget process extends through May with several months of discussion, review and alignment. At the direction of City Council, staff sets forth budget priorities that align with the City's mission and strategic priorities.

The budget document itself is divided into several sections and is categorized according to fund type. In the following pages you will find detail on each Fund and ultimately each function of the City.

Budget Development Timeline:

YEAR IN REVIEW

In fiscal year 2023-2024, the City operated conservatively and took many steps to assure a positive fiscal outlook for the coming year. Successes from the previous year include, but are not limited to:

- *Aggressive pursuit of outside funding for City projects.* Staff had a tremendous success rate in securing outside funding in the previous fiscal year. Most notably, staff secured a \$2.5 million allocation from the State of Michigan for environmental remediation on Harbor Island.
- *Creation of a MERS Surplus Division.* The City created, and made an initial contribution to, a surplus fund; intended to begin reducing the City's pension liability.
- *Executed sale of the Diesel Plant.* Staff finalized the sale of this property, creating additional tax base for the City.
- *Drafted an Economic Incentive Policy.* With a renewed focus on economic development, staff created an economic incentive policy to further enhance and incentivize local development while maintaining and protecting the City's interests.

2024-25 BUDGET

Attributable to the conservative and creative budgeting practices of your departments, the City's funds are in a **positive** state and cashflow in the coming fiscal year is adequate. Cash balances are slowly trending upwards in our general, enterprise, and intergovernmental funds. Given this positive trend, the City is proposing a deficit budget in FY 2024-25, in order to complete several priority capital projects that have previously been deferred.

Included within the budget are additional measures staff and Council have taken to improve our overall fiscal condition, including continued/ongoing evaluation of the City's fee structure, \$50,000 per month surplus-payments to MERS to begin reducing pension liability, and several new and renegotiated contracts and leases. Additionally, within this budget year, we anticipate executing the sale of the old fire barn and facilitating redevelopment of the Chinook Pier site providing further enhancement to the City's tax-base.

The FY 2024-25 budget also addresses current City Council priorities. These include; Linear Park improvements, implementation of an overarching IT strategy, supporting remediation resolution on Harbor Island, supporting a high caliber, cross-trained Department of Public Safety, maintaining service levels for the City's extensive parks system, and funding the treatment of invasive species that are threatening the City's urban tree canopy.

The budget is complete, forward looking, and addresses the priorities and goals of City Council. With this budget, the City can continue to provide a high level of quality service to its residents, while maintaining a positive fiscal outlook.

LOOKING FORWARD

As noted in the year prior, although we've navigated FY 2024-25, the City has looming financial obligations as it relates to the environmental remediation of Harbor Island, and the City's unfunded pension liabilities, that will be imperative to address with long-term sustainable funding sources.

In anticipation of these obligations, the City will continue to explore opportunities to increase and sustain revenue to help stabilize the General Fund, including:

- Public Safety Operating Millage or Parks Millage
- Chinook Pier Redevelopment
- Responsible/Strategic Sale of Excess City Property
- Implementation of a Proactive Economic Development Strategy

CONCLUSION

As we continue to make strides towards our vision, it remains important that we continue to seek ways to optimize our efficiencies while remaining responsive to the needs of the residents of this great community.

We are committed to the long-term fiscal health of the City of Grand Haven. With that said, the annual budget is a tremendous undertaking, and it is important to recognize the efforts of the leadership team that contributes to this document. The integrity, character, persistence, and overall quality of the public servants that work for the City is unmatched, and I wholeheartedly thank each department for their continued and unwavering dedication to our vision.

We look forward to building upon our success in fiscal year 2024-25.

Respectfully,

Ashley Latsch
City Manager
