

CITY OF GRAND HAVEN

PUBLIC NOTICE

RE: BLANKET POLICY

PLEASE TAKE NOTICE that the City of Grand Haven invites the public to place sheets, caution tape, golf tees and chairs on all public property to reserve space for the parade and fireworks, after 12:01 A.M. on Friday, July 31, 2026. Materials placed before 12:01 A.M. will be removed by City crews.

The placement of spot marking materials PRIOR to 12:01 A.M. on Friday, July 31, 2026 is strictly prohibited.

Please remember that **no** tents, sand bags, plastic tarps, duct tape, rocks, stakes or spray paint are allowed. Plastic tarps suffocate and kill the grass. Rocks and stakes present a tripping hazard. All plastic tarps, duct tape, rocks, or stakes placed in any public park or on public property at any time will be removed by the City of Grand Haven. This also includes any markings on sidewalks, boardwalks and parking lots.

SEAWALL MOORING: The seawall will be cleared of all boat traffic on Saturday, August 1, 2026 at 6:00 P.M. No mooring will be allowed along the seawall after that time. Boats may moor on the seawall after 1:00 A.M. on Sunday, August 2, 2026.

Thank you for your cooperation, and enjoy the 102nd Celebration of Coast Guard Festival.
