New Business:

Discussion of SkyDive Proposed Unsecured Covered Shelter

- Will need to change definition in the Minimum Standards and determine what type of structure is allowed
- Commercial Operators would have to comply with all Minimum Standards
- Any added shelters/structures must meet FAA requirements
- Airport layout plans would need to be updated at the Operators expense
- FAA would determine what 'pavement' specs are for the requirement of any hard surface
- A question was raised regarding whether this new structure would cause a problem with gaining aircraft access to Hangar Row A
- Fair Market Value of the property would need to be determined

- A pavement taxiway is being recommended but would need to comply with City/Planning Commission guidelines.
- A final proposed document will be sent to Airport Board Members for review and the final proposal voted on at the next board meeting.

Second Call to the Audience: None

Adjournment: Motion by Kostamo, seconded by Clapp to adjourn at 6:45 PM. Motion Carried.
