1. Loutit District Library Report to the Community

- John Martin, Library Director

Library Director Martin reviewed the report presented in the agenda packet. He noted the library planned on being open to the public soon.

Messrs. Burton Brooks and Dave De Young, City representatives on the library board, reported the library was a healthy and thriving community resource. It was great to have City and community support. Library staff have adapted well through the pandemic so they were still able to provide information and materials to the library customers.

Council thanked the library for doing such a great job and being flexible for the community by keeping the library available.

2. Human Relations Commission Recommendation

Human Relations Commission Liaison Kleyn reported a complaint had been received by the Commission regarding a council appointment to the Duncan Park Commission on November 2. When the Commission receives a complaint, they conduct an investigation and discuss the results at their meetings. After investigating this complaint, the Commission had a recommendation for Council for future board appointments.
