- COGH directs treatment for the first 28 days
- If you go to the Emergency Room, tell them it is a workers' comp injury and to bill the City of Grand Haven. Do not provide your health insurance card.
- Employees will need to use own time/accruals for appointments after the initial visit
- If an employee needs a ride to the doctor after an injury occurs, contact a friend or family member due to liability concerns
- If a prescription is needed, you may go to any pharmacy, pay out-of-pocket and send the receipt to HR for reimbursement.
- Mileage may be reimbursable through the workers' comp administrator
- Work-related injuries are confidential. Files are stored separately with limited access.
