CITY OF GRAND HAVEN
WRITTEN PUBLIC SUMMARY OF
FOIA PROCEDURES AND GUIDELINES

Consistent with Public Act 523 of 2018 amending the Michigan Freedom of Information Act (FOIA), the following is the Written Public Summary of the City's FOIA Procedures and Guidelines relevant to the general public.

1. How do I submit a FOIA request to the City of Grand Haven?

- A request to inspect or obtain copies of public records prepared, owned, used, possessed, or retained by the City of Grand Haven must be submitted in writing.
- The request must sufficiently describe a public record so as to enable the City to find it.
- The request must include the requesting person’s complete name, address and phone number, and/or email address. Corporate entities who request records under the FOIA must provide this information for a company’s agent. A request that does not contain this information may be denied as invalid.
- No specific form to submit a written request is required. However, a FOIA Request form for your use and convenience is available on the City's website at www.grandhaven.org.
- A written request can be made in person by delivery to any City office in person or by mail.
- A request can also be made by facsimile by calling 616-842-0648 for non-Public Safety records and 616-847-6050 for Public Safety/Building Department records.
- A request may also be submitted by e-mail. To ensure a prompt response, e-mail requests should contain the term "FOIA" or "FOIA Request" in the subject line and be sent to FOIA Coordinators:
  - City Clerk at clerk@grandhaven.org for non-Public Safety or Building Department records.
  - Department of Public Safety at GHDPS-FOIA@grandhaven.org for Public Safety or Building Department records.
- FOIA Coordinators will make reasonable efforts to inform requestors if a record falls outside of their jurisdiction and provide the contact information, if practicable, of the FOIA Coordinator to contact for the requested records.

Note: If you are serving a sentence of imprisonment in a local, state or federal correctional facility you are not entitled to submit a request for a public record.

2. What kind of response can I expect to my request?

- Within 5 business days of receipt of a FOIA request, the City will issue a response. If a request is received by facsimile or e-mail, the request is deemed to have been received on the following business day. The City will respond to your request in one of the following ways:
  - Grant the request.
  - Issue a written notice denying the request.
  - Grant the request in part and issue a written notice denying in part the request.
  - Issue a notice indicating that due to the nature of the request the City needs an additional 10 business days to respond.
  - Issue a written notice indicating that the public record requested is available at no charge on the City's website.
- If the request is granted, or granted in part, the City will ask that payment be made for the allowable fees associated with responding to the request before the public record is made available. If the cost of processing the request is expected to exceed $50, or if you have not paid for a previously granted request, the City will require a deposit before processing the request.
3. What are the City's fee deposit requirements?

- If the City has made a good-faith calculation that the total fee for processing the request exceeds $50.00, the City will require that you provide a deposit in the amount of 50% of the total estimated fee. When the City requests the deposit it will provide you a non-binding best efforts estimate of how long it will take to process the request following receipt by the City of your deposit.

- If the City receives a request from a person who has not paid the City for copies of public records made in fulfillment of a previously granted written request, the City will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request when all of the following conditions exist:
  1. the final fee for the prior written request is not more than 105% of the estimated fee;
  2. the public records made available contained the information sought in the prior written request and remain in the City's possession;
  3. the public records were made available to the individual, subject to payment, within the time frame estimated by the City to provide the records;
  4. 90 days have passed since the City notified the individual in writing that the public records were available for pickup or mailing;
  5. the individual is unable to show proof of prior payment to the City; and
  6. the City has calculated an estimated detailed itemization that is the basis for the current written request's increased fee deposit.

- The City will not require the 100% estimated fee deposit if any of the following apply:
  1. the person making the request can show proof of prior payment in full to the City;
  2. the City is subsequently paid in full for all applicable prior written requests; or
  3. 365 days have passed since the person made the request for which full payment was not remitted to the City.

- If the City requests a deposit and the deposit is not received by the City within 45 days from receipt of the notice of deposit required, and if the requesting person has not filed an appeal of the deposit amount, the request shall be considered abandoned by the requesting person and the City is no longer required to fulfill the request. The deposit letter is considered received three days after it is sent, regardless of the means of transmission.

- When the City has received a deposit, the request is processed, and the requester does not pay all remaining costs within one year from the date of notification that the public records are available, the request shall be deemed abandoned and the deposit forfeited.

4. How does the City calculate FOIA processing fees?

- A fee will not be charged for the cost of search, examination, review, and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the City because of the nature of the request in the particular instance, and the City specifically identifies the nature of the unreasonably high costs.

- The Michigan FOIA statute permits the City to assess and collect a fee for six designated processing components. The City may charge for the following costs associated with processing a request:
  1. Labor costs associated with searching for, locating, and examining a requested public record.
  2. Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
  3. The cost of computer discs, computer tapes, or other digital or similar media when the requester asks for records in non-paper physical media.
• The cost of duplication or publication, not including labor, of paper copies of public records.
• Labor costs associated with duplication or publication, including making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
• The cost to mail or send a public record to a requestor.

5. How do I qualify for a reduction of the processing fees?

• The City may waive or reduce the fee associated with a request when the City determines that to do so is in the public interest because release of the information is considered as primarily benefitting the general public.
• The City will waive the first $20.00 of the processing fee for a request if you submit an affidavit (sworn statement) stating that you are:
  • indigent and receiving specific public assistance; or
  • if not receiving public assistance, stating facts demonstrating an inability to pay because of indigency.
• You are not eligible to receive the $20.00 waiver if you:
  • have previously received discounted copies of public records from the City twice during the calendar year; or
  • are requesting information on behalf of other persons who are offering or providing payment to you to make the request.
• The City will waive the fee for a nonprofit organization that meets all of the following conditions:
  • the organization is designated by the State under federal law to carry out activities
under the Developmental Disabilities Assistance and Bill of Rights Act of 2000 and
the Protection and Advocacy for Individuals with Mental Illness Act;
• the request is made directly on behalf of the organization or its clients;
• the request is made for a reason wholly consistent with the provisions of federal
law under Section 931 of the Mental Health Code; and
• the request is accompanied by documentation of the organization's designation by
the State

6. How may I challenge the denial of a public record or an excessive fee?

- **Appeal of a Denial of a Public Record**
  If you believe that all or a portion of a public record has not been disclosed or has been improperly
  exempted from disclosure, you may file an appeal of the denial with the City Manager. The appeal
  must be in writing, specifically state the word "appeal" and identify the reason or reasons you are
  seeking a reversal of the denial.

  Within 10 business days of receiving the appeal, the City Manager will respond in writing by:
  • reversing the disclosure denial;
  • upholding the disclosure denial; or
  • reversing the disclosure denial in part and upholding the disclosure denial in
  part.

  Whether or not you submitted an appeal of a denial to the City Manager, you may file a civil action
  in Ottawa County Circuit Court within 180 days after the City's final determination to deny your
  request. Should you prevail in the civil action the court will award you reasonable attorneys' fees,
  costs, and disbursements. If the court determines that the City acted arbitrarily and capriciously in
  refusing to disclose or provide a public record, the court shall award you damages in the amount
  of $1000.00

- **Appeal of an Excessive FOIA Processing Fee**
  If you believe that the fee charged by the City to process your FOIA request exceeds the amount
  permitted by state law, you must first submit a written appeal for a fee reduction to
  the City Manager. The appeal must be in writing, specifically state the word "appeal" and identify how the
  required fee exceeds the amount permitted.

  Within 10 business days after receiving the appeal, the City Manager will respond in writing by:
  • waiving the fee;
  • reducing the fee and issuing a written determination indicating the specific basis
    that supports the remaining fee;
  • upholding the fee and issuing a written determination indicating the specific basis
    that supports the required fee; or
  • issuing a notice detailing the reason or reasons for extending for not more than
    10 business days the period during which the City Manager will respond to the
    written appeal.
Within 45 days after receiving notice of the City Manager's determination of the processing fee appeal, you may commence a civil action in Ottawa County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys' fees, costs, and disbursements. If the court determines that the City acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of $500.00.
